

# AICC

Association of  
Independent  
Crop Consultants

*Join the professional body  
for truly independent crop  
consultants – 94% of  
Independent Agronomists  
are members*

## Why be a Member?

### AICC SUBSCRIPTION PROVIDES YOU WITH...

- ✓ Maintenance of approximately 43% (and growing) of arable advice market
- ✓ Lobbying industry and government on behalf of its members
- ✓ Extensive independent, relevant trials run by agronomists for agronomists
- ✓ A forum for exchange of technical ideas and a support network with other people in their profession
- ✓ A business protected by an enforced code of conduct
- ✓ Representation of their business interests in the industry, ie DEFRA steering groups, VI, PSD, BASIS, CFE, ARTIS, FACTS, LEAF, BCPC, FRAG, NIAB TAG, and also further afield with agronomist groups in America and Europe
- ✓ Bespoke PI and Insurance packages
- ✓ Links with manufacturers and technical updates on a regional basis
- ✓ Discount schemes on packages relevant to agronomists
- ✓ Training courses
- ✓ National Annual Conference – unique to the industry
- ✓ A presence at major agronomy events and provides a base to entertain clients at CEREALS
- ✓ Unique technical and legislative updates on a regular basis
- ✓ Strong links with Rothamsted Research and other industry partners
- ✓ Model contracts and health and safety documents
- ✓ New income stream opportunities to deliver advice via AICC contracts
